 BayviewTM

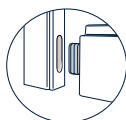

Versatile and highly customisable. A solution for every window.

Sustainability

High grade European Basswood frames and blades sourced only from FSC certified forests. Basswood is a high-quality timber that doesn't dent or crack easily.

Quality and Construction

Stile and Blades constructed from Premium Basswood timber. Engineered joints that are mortise and Tenon, glued and screwed for stronger wider panels. Creating stiff lightweight panels that span up to 1100mm wide with unlimited framing options.

Finish

Painted after assembly with Valspar 2 Pac paint or hand stained, then clear 2 pac lacquered to give a seamless elegant finish. A full range of painted and stained colour are available to highlight the natural qualities of basswood timber. Black and other dark colours are also available.
